At the Scene of the Crime: Modern Scientific Approaches for Studying the Time

At the beginning of this semester, we selected a few meaningful quotes to help guide us through these
circumstances.

"Your choices reflect your hopes, not your fears."
- Nelson Mandela

"Education is the most powerful weapon you can use to change the world."
- Nelson Mandela

"Fostering innovative learning opportunities, and perform important research.
through technology to build meaningful virtual connections, all to provide a high quality science education,
the hope of a safe campus, classroom, and laboratory environment for the evolving ability to leverage
Throughout 2020, we have looked beyond our unimaginable fear of a global pandemic, bolstered by
