"Your choices reflect your hopes, not your fears."

Many may recognize this quote from Nelson Mandela, the great anti-apartheid revolutionary, Nobel

"Hope helps us stay the course

Mandela quote of 

by Dean Fernando R. Miralles-Wilhelm

Throughout 2020, we have looked beyond our unimaginable fear of a global pandemic, bolstered by

the hope of a safe campus, classroom, and laboratory environment or the evolving ability to leverage

foster innovative learning opportunities, and perform important research.
