"Your choices reflect your hopes, not your fears.”
- Nelson Mandela, Nobel Peace Prize-winning president of South Africa, included as a way to motivate against difficult circumstances.

At the beginning of this semester, we selected a few meaningful quotes to help guide us through these unprecedented times. These sentiments appear on our t-shirts, stickers, and social media channels as a means of support. Of inspiration.

Throughout 2020, we have looked beyond our unimaginable fear of a global pandemic, bolstered by the hope of a safe campus, classroom, and laboratory environment or the evolving ability to leverage technology to build meaningful virtual connections, all to provide a high quality science education, technology to build meaningful virtual connections, all to provide a high quality science education, foster innovative learning opportunities, and perform important research.
