**Student Activism Awareness Week (SAAW)**

A week dedicated to detail and celebrate student activism. SAAW will always be able to give file access to the appropriate members of your organization.

So, why OrgSync and not Google Drive? By uploading your organization's files on OrgSync, we can help you keep your files organized. If you are a student leader, you will always have access to your organization's files, as well.

We always tell students that OrgSync is a combination of Facebook and Google Drive. When you upload your organization files on OrgSync, you will always be able to access your organization files through OrgSync.

The Google Drive part ties in with the "Files" section in every organization's OrgSync portal.

The National Association for the Advancement of Colored People (NAACP) of the University of Maryland College Park shares the same mission statement of NAACP with ensuring the political, social, educational, and economic equality of rights to all people and dismantle racial discrimination across this campus. From October 29th to November 2nd, NAACP hosted Student Activism Awareness Week (SAAW), a week dedicated to activism awareness.

The theme for this year's student activism awareness week was "Leveraging Terrapins Connect to Build Your Network and Find a Mentor." Student organizations across campus work with SORC to transform terrapins connect into the ultimate meeting space. Enjoy a 180-degree view of campus landmarks in terrapins connect.

Organizations that do not complete the registration/renewal process may face the following consequences:

**Student Organization Registration/Reactivation Deadline**

November 30th, 2018

Any organization that has not completed the registration/renewal process by November 30th, 2018 will not be considered a registered student organization.
