**A NOTE FROM THE PRESIDENT**

**Upcoming Dates &  
Events**

Dear LSU  
Families,

This semester is truly a historic one at LSU, as we have enrolled our largest, most diverse and

most academically accomplished student body in history. More than 6,100 new Tigers have joined us on campus, and they come to LSU having earned an average 3.7 GPA and ACT score of 26. Our prestigious Odgen Honors College is experiencing record enrollment as well, along with many other programs.

While we are welcoming your Tiger and others to campus in record numbers, we are committed to providing them with a personalized experience that encourages them to build meaningful relationships with faculty. The success of our students in a vigorous academic environment will remain LSU's top priority. This is directly evidenced by both the salaries earned by our graduates, which rank third among public institutions in the SEC, and the university's increased standing in national rankings such as Washington Monthly and The Wall Street Journal/Times Higher Education, which directly measure outcomes that matter to students and families.

As always, thank you for trusting us with your Tiger.

Sincerely,  
F. King Alexander  
LSU President

## ASK YOUR TIGER

- How have you been balancing classes, studying, extracurricular activities, and social time?
- Do you feel like you have enough time to do everything you want to?
- Have you met with any professors or TAs during office hours?

During the spring and summer orientation sessions, families of first-year students had the opportunity to write a letter to your Tiger with words of encouragement for their journey into LSU.

Letters for on-campus students were delivered to the front desk of each residence hall or residential community on Monday, August 26. We also sent an email to the students with instructions for where to pick up their letters. Students may pick up their letters between 10 a.m. and 6 p.m. any day before this Friday, September 13.

Letters for students who live off-campus were placed in the mail on Wednesday, August 28 and should have arrived to your student.
