Virtual Events

Due to the Lockdown security measures, all Hot Topic meetings are being held virtually.

January Hot Topic:

Objective: Improve the Financial Unit's ability to manage and control sponsored project revenue.

Attendees will have the opportunity to participate in activities that will help the attendees better understand how to manage and control sponsored projects revenue.

Oracle Budget: Introduction to Budget Review and Approval

Introduction to Budget Review and Approval will be held on January 25, 2021 from 1:00 pm - 2:00 pm.

Virtual Travel

Travel expenses for virtual conferences have been addressed. Attendees can now use Concur Travel & Expense to submit virtual travel expenses.

Travel & Event Requests with Projects - PPM Commitment

Attendees can now use Concur Travel & Expense to submit travel and event requests with projects - PPM commitment.

The preferred payment method for virtual conference registration is your Procurement Card.

Expenses Reimbursement

In order to ensure that expenses are accurately reimbursed, attendees should use the Business Purpose Type form field. If you used your T&E Card, select the Expense Report. Otherwise, use the Non-Event form field.

Travel Expense Reimbursement

Travel expenses are reimbursed through the Concur Travel & Expense system and these expenses should be entered into the system using the Expense Report form.

Sponsored Projects Converted Revenue Update

Sponsored Projects revenue for awards with multiple organizations may have been posted to the incorrect department. A few departments reported missing Sponsored Projects revenue for converted awards under their Financial Unit.

Oracle Cost Transfers

Maintenance, Repair, and Operations (MRO) items.

The HD Supply Punchout is primarily limited to appliances and appliance-related repair parts/materials. You may receive "Your approved catalog does not contain these items" error when trying to purchase MRO items. The HD Supply Punchout is primarily limited to applianc-related repair parts/materials. You may receive "Your approved catalog does not contain these items" error when trying to purchase MRO items. The HD Supply Punchout is primarily limited to appliance-related repair parts/materials.
