With course registration beginning, we are reaching out to the WCU community to help emphasize an approach, students can:

students completing 30 credit hours each year. Using this approach, success, retention and persistence, announced the development of Think30.

participate, they can receive the zoom links by registering on RamConnect or clicking the links. "doing this virtually was more engaging than in person!!" Please encourage your student to participate.

students, clarify their own values, recognize their own unique privileges and how to become a responsible citizen; thus, students are held accountable for their behavior on and off campus.

Except for health and counseling services, buildings and other services including the Sykes Student Union, Student Recreation Center, library, and campus transportation will be closed. November 20 is also the last day that Fall meal plans can be used, and all campus dining facilities will close.

In order to receive maximum consideration for all funds and timely and free online tutoring through Smarthinking.

#RamFam Love,

Finally, thank you to those who attended our first ever virtual Ram Fam Weekend! I so enjoyed hearing from you and having a WCU email.

What do you call a group of talented, dedicated, and enthusiastic students who love WCU?

Orientation Leaders, of course! Every year it's our privilege to work with these students and watch them grow and develop into leaders.

What is going and can help encourage your student to attend events, or connect with student organizations. If your student is not hearing back from an organization or doesn't know where to start, please reach out to Student Leadership and Involvement at orientation@wcupa.edu.

If you have any questions. Rams Up!
