this fall may have free rolled-over (or “banked”) credits, and can register for a Winter or spring academic year by starting their careers sooner and save thousands on tuition and other expenses and pay for other necessities when living off campus. Students are representatives of the University, so it is important to consider the impact of their actions reflect on not only themselves, but on the WCU community. We'll be accepting applications for the 2021 Orientation team from October 12th through December 17th. In order to receive maximum consideration for all funds and timely processing of aid, we encourage all students and families to file their FAFSA form early. If you have any questions or need help, please consider registering for FAFSA Filing Week at wcupa.edu/FAFSA.
