Submissions Open

Represent UT at the Undergraduate Awards in Dublin, Ireland

We are looking for juniors and seniors interested in submitting their research or creative work for an international prize competition. Winning students will receive a trip to Ireland to collect their award and participate in a 3-day Global Summit. Entries are based on research or creative works that were previously submitted for a class project or a thesis work and received a grade of A- or above.

You may submit up to 3 works. The deadline to submit is **June 11, 2019**.

10th Annual Undergraduate Research Symposium

Come watch your fellow undergraduate researchers present their research on **April 5 from 9am-4pm** in the Student Union Room 262. If you are not currently involved in research, this is a great way to find

out what kind of research is going on around campus

[View the schedule here.](#)

Conduct

Research Abroad

The Office of Undergraduate Research offers scholarships to support international research through the EuroScholars program. All research is done in English and there is no minimum level of research knowledge needed.

The EuroScholars Program offers undergraduate students a research experience at one of the 5 internationally renowned European Research Universities. Available to all disciplines!
