Renowned scientist is coming to campus

THE FACE OF SCIENCE: Tarah O'Sullivan

Tarah O'Sullivan, mother of two children with rare genetic diseases, has returned to Clemson. O'Sullivan, who is also an advocate for research at the University of Queensland, recently spoke at the University of Queensland's College of Science.

Alumni Spotlight:
Matthew Troutman
Matthew Troutman is an assistant professor of astronomy at the University of Colorado Boulder. He is a member of the BRIDGE410 project, which is studying the formation of exoplanets.

MLK Award for Excellence in Service:
Kinsey Meggett
Kinsey Meggett is a senior studying biochemistry at Clemson University. She is the founder and president of ClemsonLIFE, a student organization that provides a college experience for students with developmental disabilities.
