Camp IPPS Course Capacity

In response to the overwhelming registration for our Camp IPPS courses, we have increased the capacity for all offered classes. All those who were waitlisted should have been notified. If you did not confirm your waitlisted spot in the allotted 12 hours, you are free to register again in the UC Learning Center. Do not use the link in the waitlist email if you missed the 12 hour window as it will no longer allow you to register. Instead, refer to our original schedule to register for classes today. Remember to register for the Open House event that kicks off our training week for a chance to win a prize!

Closing Purchase Orders

You can now request that any legacy or Oracle PO be closed via Services & Support ticket! If you need to close any POs to lift their commitments, please first confirm all goods and services have been fully paid for on this PO, and no further invoices are expected. Then, you can submit a case via Services & Support (Buying Goods & Services – Oracle Procurement – Revising or Canceling an Order) with a list of POs and a confirmation of the latter statement. All POs submitted before the last week of the month will now be closed and have their commitments lifted in the following month.
