Getting Ready for Fiscal Close

We've added a new section to the Weekly Digest to help prepare you for Fiscal Close!

Cancel your Rejected Requisitions

When a requisition is rejected, its commitment will persist in your PPM ledger. The individual who submitted the requisition can lift the commitment by going to the requisition, clicking *Actions* at the top right, then *Cancel Requisition*. If you would like to cancel a requisition not belonging to you, you must first go to the requisition, click *Actions* at the top right, and *Reassign* the requisition to yourself.

Submit Your Concur Documents

Take a look at the Request and Expense modules in Concur for any Requests/Expense Reports that have been pending department approval, or

should be submitted before fiscal close. Refer to our KBA for detailed instructions on [How to Check the Status of a Concur Request and Expense Report](#). Approvers should review the Approvals module in Concur for any Concur documents pending their review.
