On Monday 6th July, Year 5 children were invited to come back to school for morning sessions. They have thoroughly enjoyed spending time with their class friends and teacher whilst practising and building on skills they have already learned. The year 4 key worker children have been learning all about healthy eating and had great success, with all children managing to tie this knot during the morning sessions. They have subsequently greeted children from Years 2, 3, 4 and 5 back into school – it was so lovely to see them and they in turn have been so happy to see each other again.

In their last session our younger group started with the story of How Robin Got His Red Breast. The wonderful piece of work is by Razaan in Starfish Class in Year 1, and we are sure you will all be absolutely delighted to see it.

Our dear Year 6s, we are going to miss you! We are proud of you and wish you all the best for your future. We are planning time in September for children to keep you informed of any additional advice or changes.

As we come to the end of a rather unusual school year, we have to say that we have thoroughly enjoyed having you all in school and look forward to seeing you all back with us in September. Do take care.
