**Announcements**

- New Report Release: GL Project Balances
- Related Enhancements: GL Project Balances
- Event Calendar: Oracle: Buying and Paying for PO Requisitioners
- Event Calendar: This course includes hands-on instruction on the use of Oracle Procurement & Payables. It focuses on topics such as Procure-to-Pay Decision and Hot Topics.
- Event Calendar: Hertz Car Rentals will discuss their partnership with UC on sustainability goals, plus offer updates on the car rental industry.
- Event Calendar: At this week's office hours, we will walk through how to use the newly released Project Management Dashboard for your department.
- Event Calendar: We apologize for the inconvenience, and Oracle is actively working to resolve the issue.
- Event Calendar: Emails sent to the approver when a requisition requires approval are not displaying all relevant information. Instead, these emails will include a message alerting the approver to check the project’s Summary tab.
- Event Calendar: Submitters should anticipate a processing time of 24 hours for new POs. This is due to the increased volume of POs being created due to the PPM change.
- Event Calendar: The Balance Update Commitment Calculation has been updated to ensure that the GL-PPM Reconciliation report accurately reflects the amount entered in PPM.
- Event Calendar: New PPM Billing features will be be pushed back and will launch in PPM starting October 3.
