Note from the Chair

To continue receiving our emails, add us to your address book.

Best regards,

We appreciate your continued engagement with us! Contact us at:

That you do. The Clemson experience would be nothing without you.

Our faculty, staff and students are set on thriving in spite of a pandemic and in response to the environments we cultivate in the Department of Biological Sciences.

Success comes down to how we respond as individuals and how we come together as a team. We are so proud of all our Tigers.

You will also see links below about awards and grants our faculty garnered over the past several years.

We are so proud of all our Tigers.

Astronaut, Udall and more. Please celebrate these students with us, and celebrate each and every student in our biological sciences, microbiology and environmental toxicology degree programs.
