Q&A with Ruth Puente

Kantara Initiative And The CARIN Alliance Sign Affiliated Alliance Agreement

Kantara Initiative announces the signing of a formal affiliated alliance agreement with the CARIN Alliance, allowing for collaboration and eventual co-development of identity assurance schemes underpinning the Office of National Coordinator for Counterintelligence, Cybersecurity, and Private Sector Affairs (ONC)’s Trusted Exchange Framework and Common Agreement (TEFCA).

FutureTrust Welcomes Kantara Initiative as an Associate Project Partner

Chair of FutureTrust, the Innovation and Technology arm of the Global Identity Assurance and Privacy Foundation (GIAF), is delighted to announce that the Kantara Initiative has recently joined us as an Associate Project Partner.
