Three SCIENCE students win Goldwater Scholarships

Clemson President Jim Clements, a former Goldwater Scholar, made the surprise announcement of the College winners April 18 at a nationally televised news conference. The announcement of Clemson’s winners was one of the first to be made in the nation during Goldwater Week, a celebration that recognizes the nation’s premier undergraduate research award.

Geneticist Rami Major wins the 2019 Norris Medal

International recognition of our students continues to elevate Clemson science. Several undergraduate and graduate students in SCIENCE won notable recognition at national meetings this spring.
