Three outstanding College of Science students are Clemson University's winners of the 2019 Scholarships.

Three SCIENCE students win Goldwater Scholarships.

What a year! Thank you – each and every one of you – for your aspiration, inspiration, and hard work. It is my honor to serve as your dean.

What a year! Thank you – each and every one of you – for your aspiration, inspiration, and hard work. It is my honor to serve as your dean. What a year! Thank you – each and every one of you – for your aspiration, inspiration, and hard work. It is my honor to serve as your dean.

As I shook each SCIENCE graduate's hand, I was reminded that the holy grail at Clemson is the signature student experience. I hope that this academic year exceeded even your highest expectations. If you graduated this spring – congratulations! We welcome you into the Clemson Alumni family and look forward to your continued engagement with SCIENCE. Stay in touch so we can follow all of your accomplishments! Returning students: whether you are studying abroad, interning, taking classes, conducting research or just getting some rest and relaxation – we can follow all of your accomplishments! Returning students: whether you are studying abroad, interning, taking classes, conducting research or just getting some rest and relaxation – we can follow all of your accomplishments!

SCIENCE honors outstanding students

The College of Science honored its outstanding undergraduates and graduate students April 10 at an annual College awards event. The College bestows myriad awards on its exceptional undergraduate and graduate student populations during the event, which balanced fun, photos and an uplifting video.
