Oracle Financials Cloud Production & Oracle Quarterly Release notified.

Users may experience temporary outages or performance issues during maintenance windows. When a planned outage is known, rendering the Oracle Financials Cloud Production environment temporarily inaccessible. Users are encouraged to plan their activities accordingly.

Budget & Finance Support promotes training, tools, and communications to take full advantage of the financial systems.

Oracle Financials Cloud Production is designed to bring back all projects, including those that have not been funded, to the roadmap of all projects. Associated IDC numbers can be found at the Oracle Financials Cloud Production website.

Oracle reports are available through multiple mediums, in an effort to support as many learning styles as possible. Please expect more information from us in the new year.

Oracle Financials Cloud Production quarterly updates - Every 3rd month (Mar, June, Sept, Dec). 3rd Friday of each month.

Oracle Financials Cloud Production Office Hours are available to users to initiate transfers for transactions from Project to Project, Financials (OFC). The account transfers are flexible between non-project tasks and non-project funding or vice versa, and Non-Projects to Projects and vice versa.

Oracle Financials Cloud Production best practices: The system maintenance process to be added to the roadmap, you can refer to Knowledge Base Article (KB0032893): How to Access and Run UCSD-DSH Project Information Lookup.

Oracle Financials Cloud Production training: Additional training focused on common activities (reconciliation, financial systems over the first six months since Go-Live, we know we are far from the ideal system maintenance.

Oracle Financials Cloud Production known transitional issues:

1) Unable to see reports in the Oracle Financial Reporting Center (FRC) as a primary way to view reports, the below helpful tip is for you:

- Navigate to the report, please check to see if the report is available under Budget & Finance. For details see Knowledge Base Article (KB0052893): How to Access and Run UCSD-DSH Project Information Lookup.

- Would the report be visible if you were accessing Oracle Financials Cloud Production from the Budget & Finance portal and search by KB#?

- Complete the steps mentioned in Knowledge Base Article (KB0052893): How to Access and Run UCSD-DSH Project Information Lookup.

- Make sure the report is not marked as a hidden report in Oracle Financials Cloud Production.

- Check if the report is marked as a hidden report in Oracle Financials Cloud Production.

- The table that supports the list you see in FRC sometimes gets out of sync. To fix it:
