Closing Legacy Purchase Orders
If you need to close any legacy (Marketplace) POs to lift their commitments, please first confirm all goods and services have been fully paid for on this PO, and no further invoices are expected. Then, you can submit a case via Services & Support (Buying Goods & Services – Oracle Procurement – Revising or Canceling an Order) with a list of POs and a confirmation of the latter statement. All POs submitted before the last week of the month will now be closed and have their commitments lifted in the following month.
