September 2020

What's your arts education story? All across the nation, people will be sharing their personal stories about the arts during [National Arts in Education Week](#) happening September 13 - 19. Join in this exciting exercise by recounting your story on social media at **#BecauseOfArtsEd** to be a part of the campaign. The Arts Council is proud to advocate for the arts for students of all ages! Share your story and be sure to also tag us **#MartinArts**... we want to hear it!

Thank you for your support and encouragement during this difficult time for the cultural sector and beyond. Staff and I are eager for the Court House Cultural Center doors to reopen later this month as we continue in our mission of inspiring participation and passion for the arts in our community... socially distanced and sanitized of course!

Stay well, stay healthy— enjoy a fun and safe Labor Day weekend!
