COMMUNITY ENGAGEMENT

October is Make a Difference Month! Join us in Giving Back....Here's How!

Hey Lakers! It's Make A Difference Month and we want to see how YOU serve your community and Make A Difference. There's a variety of ways that you can get involved: through virtual, remote, in-person, or at a drop-in service event!

Resources for remote and virtual service here: <https://www.gvsu.edu/service/find-community-engagement-opportunities-201.htm>

OCTOBER

Make a Difference Month

Make a Difference Day is a national day of service. GVSU's Community Service Learning Center is proud to have recognized this day of service for over 15 years!

We are thrilled to offer **Make a Difference Month** to our Grand Valley community. With our changing world around us, our definition of service is also changing. We hope that with a variety of service options, our community will be able to make a difference in new and creative ways.

4 Ways to Volunteer & Serve:

- **Virtual** Can be done from anywhere, and only requires a computer or phone.
- **Remote** Will require some materials, but can be done by yourself or in a group while practicing social distancing.
- **In-Person** Should be done while adhering to CDC and local/state guidelines.
- **Drop-in (on campus)** The CSLC is hosting drop-in service locations around campus—check our website for more info.

Give Back - Donate Blood!

Social Distancing does not equal Social Disengagement - Blood Drives are still ON at your Grand Valley and YOU have the power to make a difference!

College students make a huge impact by donating blood and influencing others to donate. Your campus may look and feel very different, but patients are counting on YOU for the gift of life...so you can count on Versiti to continue hosting blood drives at your school and taking precautions to keep students safe and healthy.

As a thank you for saving lives, **Versiti will email you a \$10 E-Gift Card where you can choose from over 70 different merchants, including Amazon, Starbucks, Uber, and many more! *Don't forget to wear a mask!***

ACTIVE CITIZEN(S) OF THE WEEK:

President Kayla Quinn and Alternative Breaks!

Alternative Breaks (AB) was founded in 1991 to promote active citizenship within the student body thru community-based learning projects, focusing on social & environmental issues

throughout the nation. Meet Kayla! She's a senior here at GV majoring in Allied Health Sciences and Nonprofit Administration. "Community is a priority in my life. Civic engagement empowers me to recognize the impact I can make in my community. Being engaged with my community furthers my learning experience at GV, opens my eyes to new perspectives, and helps me to gain new skills."

(Dm us on instagram if you have someone in mind that deserves to be our Active Citizen of the Week @gv_cslc)
