Get Your Tickets!

The Miracle Story of Charles W. Nash This Sunday!

February 9 - 2:00 pm

Founder, Icon, Towering Leader, Pioneer, and Titan in the
Development of the American Motor Car Industry

Register to Attend

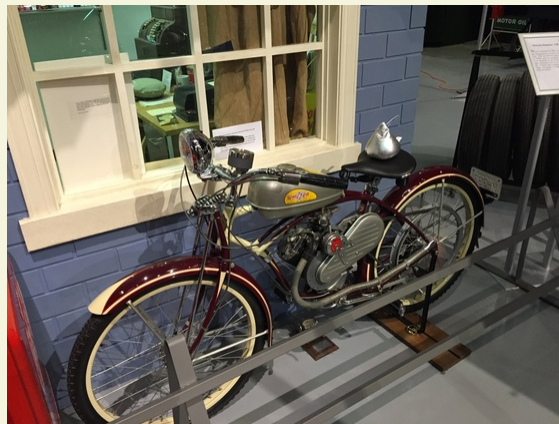

Can you find the Hershey's Kisses?

All month, we'll have a Hershey's Kisses Scavenger Hunt throughout the Museum.

See how many you can spy!

One lucky person will win a 5lb —
Hershey's Chocolate Bar & a family 4-
pack of tickets to the AACA Museum.

The winner will be pulled from all the entries received during the program.

Take in the scenery in the 1920s area of our main gallery. Did you know that these murals were hand-painted by Pennsylvania artist David Naydock? They depict downtown Hershey's chocolate avenue in the 1920s.

1964 MC5 - A New Donation

We are grateful to Ira Steinberg and his family for donating this 1964 MC5. Ira was a great supporter of the museum and used to drive a coach full of enthusiasts from New York to Spring Fling.

The MC5 was MCI's initial entry into the US market, as part of the Greyhound fleet (MCI, the builder, was owned by Greyhound but only built for Canadian Greyhound up till then). By the late 60's MCI was selling to other bus companies too. By 1981 or 82... MCI had earned 70% of the US market.

Ira bought the bus from Strong Bus in MA. It was in terrific shape when he got it. He and Coach Tours made it even better. As far as we know this bus has never been "restored"... just very well maintained... a tribute both to the succession of owners and MCI who built one tough bus.

Coach USA generously loaned their service truck to follow the bus from Patterson, NY to Hershey, PA. The chase truck was driven by Michael Hepler, who works for CoachUSA, but is also a valued volunteer at the museum.

Thank you to museum member and volunteer David Millhouser for driving the bus here and for this photo.

Create Your Own Kissmobile

February 17

11:00 AM - 2:00 PM

Explore your creativity in creating a miniature (and edible!) version of the famous Hershey's Kissmobile Cruiser.

This project is included with your Museum admission.

Thank you to The Hershey Company for donating the candy for this project.

MUSTANG DAY - APRIL 17, 2020

April 17th is the day that the very first Mustang rolled off the line encouraging driving adventures in one of America's most beloved automobiles! Celebrate with a fun day of fellowship and activities!

Activities are an "open house" style so, you can arrive based on your schedule and participate in any or all options.

Timeline of Events 9 am – 3 pm (Museum galleries open until 5:00 PM)

- Cruise-in for cars and coffee on the Museum grounds
- Explore the Museum Galleries (9 am – 5 pm)

- Discover more treasures in the Behind the Scenes Tour (9 am – 1 pm)
- Hear from Shelby engineer, Chuck Cantwell (1 pm)

We're looking forward to seeing lots of Mustangs!

International Drive History
Conference

April 23-25
Allentown, PA

The International Drive History Conference is the first event of its kind known to have taken place in North America. The event brings together scholars, practitioners, hobbyists, students, among others, who are interested in the history and preservation of motor vehicle heritage. At the conference, exchange ideas and learn from one other about how the preservation of motor vehicle heritage can be made a more centrist part of the historic preservation field with respect to both tangible material culture and intangible traditions.

The AACA Museum is proud to have Tucker #1026 included in the Driving Experience part of this conference. It's an amazing opportunity for anyone who loves history and automobiles.
