What You Need to Know
This email is being sent by the University of Oregon in accordance with the federal COCA Community Level for COVID-19 in Lane County moved to High. Due to the elevated risk level, the UO recommends individuals wear masks indoors when around other people, per CDC guidance. In addition, it is recommended that you get tested if you've been a known exposure to COVID-19.

KN95 masks are available on campus to UO students and employees at [online form]. More information about wearing and caring for KN95 masks can be found on this [online form].

We want to remind you of the personal preventative strategies you can take to reduce your risk of COVID-19 and the campus resources that are available:

- Wear a mask indoors and wash your hands frequently.
- Stay home if you are sick. Contact your healthcare provider immediately if you have a fever of 100.4°F or higher and/or other COVID-19 symptoms.
- Get tested. Free COVID-19 testing is available on campus through the UO’s Monitoring and Assessment Program (MAP). Free tests are available through the CDC.

The UO is continuing to provide the following COVID-19 resources:

- KN95 masks on campus for UO students and staff.
- COVID.gov for UO and Lane County community members.
- Corona Corps: Resources, support, and guidance for students affected by COVID-19.
- Community Level: Resource and testing guidance for students and employees about how they can prevent the spread of COVID-19.
- Reminders: Updated guidelines for employees such as the Employee Assistance Program, leave options, and flexible and remote work guidance.
- MAP is not recommended for travel or event testing as results can take 2-4 business days.

COVID-19 Testing Summer Schedule: As of June 21, MAP is moving from McArthur Court to Chiles Hall and will have a new schedule. Tests will be capped at 350/day including walk-in and symptomatic patients. Make your appointment early to ensure your appointment time and that the test site will have a reserve time for symptomatic testers. Masks continue to be required at MAP testing sites, including in line outside.

Starting June 21, Summer Hours:

- Monday/Wednesday: 8:30 a.m.-3:30 p.m.
- Tuesday/Thursday: 10:30 a.m.-6:00 p.m.
- Friday: 8:00 a.m.-12:00 p.m.

Symptomatic and walk-in testing ends 30 minutes prior to closing or when the daily cap is reached. Arrive as early in the day as possible.

MAP will remain open to UO students and employees and Lane County community members during the World Athletics Championships Oregon22. For more information about COVID-19 testing including how to register for a test, visit the [COVID.gov website].

COVID-19 Resources
Community Level: Current COVID-19 Community Levels can be found on [COVID.gov] and are updated on Thursday evenings. Community levels consider a combination of metrics including new cases and hospital data.

Reminders
During Reporting: After becoming eligible and receiving your COVID-19 booster shot, remember to update your vaccine status with the UO. To submit your booster shot information:

- Students: Log in to the MyUOHealth Portal, visit the “Immunizations” tab. This is the same process used to upload your original vaccination certificate.
- Employees: Fill out the online form and upload a copy of your vaccine card. This is the same form used to verify your vaccine status.

Exemption Process: For information on the exemption process visit the [online form] in our community. Remember to check with the testing site to make sure it meets your test needs and timelines.
