COVID-19 Update
June 10, 2022 • coronavirus.uoregon.edu

What You Need to Know
This week, the Centers for Disease Control and Prevention (CDC) Community Level for COVID-19 in Lane County moved to High. Due to the elevated risk level, the UO recommends individuals wear masks indoors when around other people, per CDC guidance. In addition, it is recommended that you test if you’ve tested to a known exposure to COVID.

KN95 masks are available on campus to UO students and employees. More information about wearing and caring for KN95 masks can be found on this webpage.

We went to remind you of the personal preventative strategies you can take to reduce your risk of COVID-19 and the campus resources that are available:

- In COVID-19 High-risk areas: Wearing a mask is required in all indoor and outdoor spaces, including outside. Wash your hands fully and frequently. Get tested. Free COVID-19 testing is available on campus through the UO’s Monitoring and Assessment Program (MAP) and free home tests are available through the CDC.
- The UO is continuing to provide the following COVID-19 resources:
  - KN95 masks on campus for students and staff.
  - MAP Testing for UO and Lane County community members.
  - COVID.gov: Resources, support, and guidance for students affected by COVID-19.
  - Community Level: Data and testing guidance for students and employees about their primary campus (UO) and local communities. If they have symptoms and positive, or have been exposed to COVID.
  - Corona Corps: Resources for employees such as the Employee Assistance Program, leave options, and flexible and remote work guidance.
  - For employees the COVID-19 leave program will be extended through June 30, 2023. Eligible employees will have their summer balance restored on July 1, 2022.

The UO continues to monitor the situation on our campus and in our community. We are working with local public health authorities to inform future decisions and policies.

COVID-19 Data
Community Level: Current COVID-19 Community Levels can be found on COVID.gov and are updated Thursday evenings. Community levels consider a combination of metrics including new cases and hospital data.

COVID-19 Testing Summer Schedule: As of June 21, MAP is moving from McArthur Court to Chiles Hall and will have a new schedule. Tests will be capped at 300/day including walk-in and symptomatic patients. Make your appointment early to ensure your appointment time and slot are still available. There will be a tent outside for symptomatic testers. Masks continue to be required at MAP testing sites, including inside testing lines.

Starting June 21, Summer Hours:
- Monday/Wednesday: 8:00 a.m.-3:30 p.m.
- Tuesday/Thursday: 10:30 a.m.-6:00 p.m.
- Friday: 8:00 a.m.-12:00 p.m.

Symptomatic and walk-in testing ends 30 minutes prior to closing or when the daily cap is reached. Arrive as early in the day as possible.

MAP will remain open to UO students and employees and Lane County community members during the World Athletes Championships Oregon22. For more information about COVID-19 testing including how to register for a test, visit the Coronavirus Testing website.

Reminder: The COVID-19 test result for travel or entry to an event? MAP is not recommended for travel or event testing as results can take 2-4 business days.

Lane County Public Health provides a list of additional testing sites in our community. Remember to check with the testing site to make sure it meets if your test needs and timelines.
