COVID-19 Update

June 10, 2022 • coronavirus.uoregon.edu

You are being sent this message based on your affiliation with the University of Oregon.

What You Need to Know

This message is from OHSU Special Care Centers (OCCC) based on the Oregon Health Authority's COVID-19 Risk Level for COVID-19 in Lane County moved to High. Due to the elevated risk level, the OCCC recommends individuals wear masks inside when around other people, per CDC guidelines.

In addition, it is recommended that you get tested if you test a known exposure to COVID-19.

KN95 masks are available on campus to UO students and employees at these locations:

More information about wearing and caring for KN95 masks can be found on this webpage.

We went to remind you of the personal preventative strategies you can take to reduce your risk of COVID-19 and the campus resources that are available:

**To be eligible in COVID-19 vaccine:**
- **Verify for Eligibility** and stay if you sick.
- Consider wearing a mask while indoors and near others.
- Wash your hands fully and frequently.
- Get tested. Free COVID testing is available on campus through the UO’s Monitoring and Assessment Program (MAP). Free home-based tests are available through the CDC.

The UO is continuing to provide the following COVID-19 resources:
- **KN95 masks** on campus for UO students and staff.
- **MAP** testing for UO and Lane County community members.
- **Corona Corps** resources, support, and guidance for students affected by COVID-19.
- **Healthy People and Workplaces** guidelines for students and employees about how to return to campus if they have symptoms and for those who have been exposed to COVID-19.
- **Recommending** for employees such as the Employee Assistance Program, leave options, and flexible and remote work guidance.
- **For employees the COVID-19 leave program** will be extended through June 30, 2023. Eligible employees will have an annual balance restored on July 1, 2023.

The UO continues to monitor the situation on our campus and in our community. We are working with local public health authorities to inform future decisions and policies.

Find additional information and resources on the Coronavirus Resources website or COVID.gov.

COVID-19 Testing Summer Schedule: As of June 21, MAP is moving from MapMcArthur Court to Chiles Hall and will have a new schedule. Tests will be capped at 200/day including walk-in and asymptomatic patients. Make your appointment early to ensure your appointment time and date. If you arrive there will be a wait line for symptomatic testers. Masks continue to be required at MAP testing sites, including in line outside.

Starting June 21, Summer Hours:
- Monday/Wednesday: 8:00 a.m.-3:30 p.m.
- Tuesday/Thursday: 10:30 a.m.-6:00 p.m.
- Friday: 8:00 a.m.-12:00 p.m.

Symptomatic and walk-in testing ends 30 minutes prior to closing or when the daily cap is reached. Arrive as early in the day as possible.

MAP will remain open to UO students and employees and Lane County community members during the World Athletics Championships Oregon22. For more information about COVID-19 testing including how to register for a test, visit the Coronavirus Resources website.

COVID-19 Data

Community Level: Current COVID-19 Community Levels can be found on coronavirus.uoregon.edu and are updated on Thursday evenings. Community levels are a combination of metrics including new cases and hospital data.

Reminders

**COVID-19 Testing**:
- Students: Log in to the MyHealth Portal, visit the "immunizations" tab. This is the same process used to upload your original vaccination information.
- Employees: Fill out the "my vaccinations" and upload a copy of your vaccine card. This is the same form used to verify your vaccine status.

**Exemption Process**: For information on the exemption process visit the "employee resources" tab on the Coronavirus Resources website.

**Prevention**: The best way to prevent illness is to avoid being exposed to the virus. The CDC outlines some general recommendations for personal prevention.
