What You Need to Know
This email was sent by University of Oregon, 1585 E 13th Avenue, Eugene, OR 97403. The University of Oregon (UO) is committed to COVID-19 in Lane County moved to High. Due to the elevated risk level, the UO recommends individuals wear masks indoors when around other people. See CDC resources.
In addition, it is recommended that you test if you’ve tested known positive to COVID-19.

KN95 masks are available on campus to UO students and employees at these locations:

• New for employees and only if sick.
• For KN95 testing and easy if sick.
• Consider wearing a mask while indoors and near others.
• Wash your hands fully and frequently.
• Get tested. Free COVID tests are available on campus through the UO's Monitoring and Assessment Program (MAP).

The UO is continuing to provide the following COVID-19 resources:

• KN95 masks on campus for UO students and staff.
• COVID.gov for UO and Lane County community members.
• COVID.gov Hexagon, support, and guidance for students affected by COVID-19.
• Reminders and tracking updates for students and employees about home testing.
• If you have symptoms and positive, or have been exposed to COVID-19.

For employees the UO COVID-19 leave program will be extended through June 30, 2023. Eligible employees will have their benefit balance restored on July 1, 2022.

The UO continues to monitor the situation on our campus and in our community. We are working with local public health authorities to inform future decisions and policies.
