What You Need to Know

This update is brought to you by Galvanicle Digital Consulting, and includes information provided by the Centers for Disease Control and Prevention (CDC) Community Level for COVID-19 in Lane County moved to High. Due to the elevated risk level, the UO recommends individuals wear masks indoors when around other people, per UO guidance. In addition, it is recommended that you get tested if you’ve been in close contact with COVID. 

KN95 masks are available on campus to UO students and employees at Maps locations. More information about wearing and caring for KN95 masks can be found on this webpage.

We went to remix your personal preventative strategies you can take to reduce your risk of COVID-19 and the campus resources that are available:

**What To Do During COVID-19:**

- **Monitor for Symptoms** and stay home if sick.
- **Consider wearing a mask while indoors and near others.**
- **Wash your hands** fully and frequently.
- **Get tested.** Free COVID testing is available on campus through the UO’s Monitoring and Assessment Program (MAP), free COVID testing is available through the CDC.

The UO is continuing to provide the following COVID-19 resources:

- **KN95 masks** on campus for UO students and staff.
- **COVID-19 Testing** for UO and Lane County community members.
- **COVID-19 Resources:** Handout, support, and guidance for students affected by COVID-19.
- **COVID-19 Reminders** and testing guidance for students and employees about how and when to test. If you have symptoms, are positive, or have been exposed to COVID-19.
- **Supportfffors** for employees such as the Employee Assistance Program, leave options, and flexible and remote work guidance.
- **For employees the UO COVID-19 leave program** will be extended through June 30, 2023. Eligible employees with COVID-19 balance reloaded on July 1, 2022.

The UO continues to monitor the situation on our campus and in our community. We are working with local public health authorities to inform future decisions and policies.

COVID-19 Testing Summer Schedule: As of June 21, MAP is moving from McArthur Court to the student Center and will have a new schedule. Tests will be capped at 300/day including walk-in and symptomatic patients. Make your appointment early to ensure your appointment time and if you wait there will be a wait time for symptomatic testers. Masks continue to be required at MAP testing sites, including in line outside.

Starting June 21, Summer Hours:

- **Monday/Wednesday:** 9:00 a.m.-3:30 p.m.
- **Tuesday/Thursday:** 10:30 a.m.-6:00 p.m.
- **Friday:** 8:00 a.m.-12:00 p.m.

Symptomatic and walk-in testing ends 30 minutes prior to closing or when the daily cap is reached. Arrive as early in the day as possible.

MAP will remain open to UO students and employees and Lane County community members during the World Athletics Championships Oregon22. For more information about COVID-19 testing including how to register for a test, visit the COVID.gov Coronavirus Resources website.

**Reminders**

**COVID-19 Testing**:

- **Students:** Log in to the MyUOHealth Portal. Visit the “immunizations” tab. This is the same process used to upload your original vaccination information.
- **Employees:** Fill out the online form and upload a copy of your vaccine card. This is the same form used to verify your vaccine status.

**Exemption process:** For information on the exemption process visit the online form or employees.uoregon.edu.

**COVID-19 leave program:** For employees such as the Employee Assistance Program, leave options, and flexible and remote work guidance.

**Prevention:** The best way to prevent illness is to avoid being exposed to the virus. The CDC outlines some general recommendations for personal prevention.
