COVID-19 Update
June 10, 2022  •  coronavirus.uoregon.edu

What You Need to Know
This message is being sent to all employees of the University of Oregon, and to students who have completed the COVID-19 Vaccination Tracking Form. The University of Oregon (UO) Community Level for COVID-19 in Lane County moved to High. Due to the elevated risk level, the UO recommends individuals wear masks indoors when around other people, per CDC guidance. In addition, it is recommended that you get tested if you've been in close contact with someone who has COVID-19.

KN95 masks are available on campus to UO students and employees of employee locations. More information about wearing and caring for KN95 masks can be found on the UO website.

We want to remind you of the personal preventative strategies you can take to reduce your risk of COVID-19 and the campus resources that are available:

- Practice social distancing
- Wash hands often and cover when you cough or sneeze
- Avoid close contact

COVID-19 Data
Community Level: Current COVID-19 Community Levels can be found on COVID.gov.

COVID-19 Reminders
- Students: Log in to the MyUOHealth Portal, visit the "Immunizations" tab, and upload a copy of your vaccine record. This is the same form used to verify your initial vaccine status.

- Employees: Fill out this online form and upload a copy of your vaccine card. This is the same form used to verify your initial vaccine status.

- Students: Visit the "Immunizations" tab. This is the same form used to verify your initial vaccine status.

- Employees: Fill out this online form and upload a copy of your vaccine record. This is the same form used to verify your initial vaccine status.
