What You Need to Know

This message is likely from the Office of the President of the University of Oregon (UO). It pertains to COVID-19 in Lane County moved to High. Due to the elevated risk level, the UO recommends individuals wear masks indoors when around other people, per CDC guidance. In addition, it is recommended that you test if you've been known exposed to COVID-19.

 KN95 masks are available on campus to UO students and employees. More information about wearing and caring for KN95 masks can be found on the Center for Disease Control (CDC) website.

We wanted to remind you of the personal preventative strategies you can take to reduce your risk of COVID-19 and the campus resources that are available:

• Wash your hands frequently and use hand sanitizer.
• Wear a mask, especially indoors and when around others.
• Avoid close contact with people who are sick.
• Stay home if you feel sick.
• Get vaccinated and stay up to date on your vaccines.
• Wear a mask, especially indoors and when around others.
• Avoid close contact with people who are sick.
• Stay home if you feel sick.

The UO is continuing to provide the following COVID-19 resources:

• KN95 masks on campus for UO students and staff.
• COVID.gov: Visit this site for information on the COVID-19 pandemic and testing locations for students and employees about how to get tested. It is recommended if you have symptoms and positive, or have been exposed to COVID-19.
• Reminders: For employees such as the Employee Assistance Program, leave options, and flexible and remote work guidance.
• For employees the COVID-19 leave program will be extended through June 30, 2023. Eligible employees with their current balance restored on July 1, 2022.

The UO continues to monitor the situation on our campus and in our community. We are working with local public health authorities to inform future decisions and policies.
