Dear Colleague,

Wow! What a month July has been and it's not even over yet!

I took some time off for a multilayered vacation that landed me at a fly-in fishing camp in Northern Saskatchewan for Part 1 and then Nova Scotia for Part 2. They were both fabulous!

Now that I'm refreshed and back to work, I'm thrilled to share what's happening this month with our African clients.

**Anantara** and **Avani** have released their Holiday Specials for the upcoming festive season. Also, the **JW Marriott Masai Mara** is happy to announce their partnership with Canon!

Lastly, we'd love to **hear your feedback** or suggestions for subjects for Emerging Destinations future webinars - Tell us if there is something you'd like to learn more about!

Enjoy the sunshine and summer vibes!

Best regards,

**The Emerging Destinations team**

**Jane, Jenna & Ana**

## Ngamba Island To Celebrate 25 Years of Chimp Conservation

Established in 1998 with only 11 animals, Uganda's Ngamba Island Chimpanzee Sanctuary is now home to 52 of the IUCN Red Listed endangered species.

Most of the chimps on the island were rescued from illegal wildlife traders who intended to sell them as pets, for bushmeat, local medicine or other unacceptable uses. When first captured, a number of them were orphans whose parents died of different causes. [\*\*More here.\*\*](#)
