12th Annual Psychotic Disorders Conference
November 6, 2017

Mental Health Policy
AB 1350 (Mullin): "Mental health: early psychosis and mood disorder detection and intervention" moved to the governor's desk for signature on September 11.
AB 1340 (Maienschein): "Continuing medical education: mental and physical health care integration" moved to the governor's desk for signature on September 8.

Mental Health Makes the Headlines
8/25/17: Meeting the Need: Why UC Davis is Training Primary Care Providers in Psychiatric Care (Medical Board of CA Newsletter, Pg. 7)
UC Davis partnered with the Steinberg Institute to discuss the importance of expanding the workforce for psychiatric treatment and how the Train New Trainers Fellowship is making inroads.
8/24/17: California needs health-care workers, and it’s asking for help (Kaiser Health News)
University of California president Janet Napolitano and Dignity Health president Lloyd Dean co-chair the new California Future Health Workforce Commission which plans to focus on primary care, mental health and the aging population.

Bridging Structural and Functional Maps of the Brain
Dr. Kimberley McAllister looks at synaptic dynamics and molecular signatures that could help in the development of targeted new therapies for diseases of the brain.
