INSTRUCTOR HIGHLIGHT

Meet Michele Gadaw

Michele is one of our fabulous Swim Instructors. Let's hear why Michele loves what she does.

“One of my most favorite things about teaching swim lessons to kids and adults is watching them do stuff they never thought that they could do. I love seeing them gain confidence with themselves in the pool. What I hope to continue accomplishing is for kids and adults to feel comfortable in the water and to get them to where they want to go with swimming, whether it is to be

on a swim team, learn a new stroke, put their face underwater or be able to float. I am happy and honored to be a part of your process.”
