More Resources

If you have any questions or comments, please let us know. We would love to hear from you.

I had a great time with Sarah this week who entered the D.C. community. It was a fantastic event and we enjoyed meeting many new people. If you're interested in attending our next conference, please sign up.

Apply to Attend UC Conference in DC

The UC National Center for Free Speech and Civic Engagement is hosting its inaugural conference -- "#Speech Matters: The Future of Free Speech." The conference will be held on April 10th and 11th, 2019. It will feature a variety of speakers, including academics, politicians, and activists. If you're interested in attending, please apply by Friday, February 1st.

Campus Updates

Sign up & Safety Information

High Wind Warning for the UCSB/Isla Vista area. Issued a Flash Flood Watch, High Surf Advisory, Coastal Flooding Advisory, and Urgent Storm & Safety Information.

As of this morning, the National Weather Service (NWS) is predicting this weekend's storm (beginning after midnight tonight and continuing late into Monday). The NWS has issued a High Wind Warning for Isla Vista and Del Playa Residents.

We urge all UCSB students and staff to take the following precautions:

- Stay indoors and away from downed power lines.
- Do not attempt to remove any downed power lines or broken branches.
- Avoid flooded areas and those at high risk of flooding or mud flows, when possible.
- Do not walk underneath cliffs, due to danger of rock falls and slides.
- Keep a safe distance from downed trees or branches and do not attempt to move a stalled vehicle.
- Avoid beach access areas in case of unexpected high wind and large waves.
- Do not attempt to drive across ocean waters.
- Do not drive through standing water, even if a vehicle can be seen indicating a path through the water.
- Stay away from large bodies of water, such as ocean, lakes, and rivers.
- Do not attempt to swim or surf.
- Do not attempt to cross creeks or rivers.
- Stay away from levees and embankments.
- Be aware of the potential for landslides.
- Pay attention to road closures and avoid driving on closed roads.
- Be prepared to evacuate if necessary.
- Evacuate to higher ground if possible.
- Be prepared to evacuate to higher ground if possible.
- Be prepared to evacuate to higher ground if possible.
