February is for You!

### Campus Updates

#### Free Expression on Campus

The UC National Center for Free Speech and Civic Engagement is hosting a ton of events to keep you energized, well, and motivated throughout the quarter. Also, if you are interested in inviting Maxine Waters to UCSB, apply now!

#### Apply to Attend UC Conference in DC

The Center will invite up to three students from each UC campus to the D.C. community.

#### Safety Tips

For Isla Vista and Del Playa Residents

- High Wind Warning for the UCSB/Isla Vista area.
- Issued a Flash Flood Watch, High Surf Advisory, Coastal Flooding Advisory, and Saturday's Storm (beginning after midnight tonight and continuing late into the weekend)
- As of this morning, the National Weather Service (NWS) is predicting this:
  - High surf
  - Strong winds
  - Downed trees or branches
  - Potentially high levels of contaminants and bacteria in the water
  - Do not swim in the ocean for three days following rain because of potential contamination
  - Do not walk underneath cliffs, due to danger of rock falls and slides
  - Stay off of balconies and patios during heavy rain and storms.
  - Do not leave your property unattended if you live near a cliff or slope.
  - For residents near cliff areas, erosion concerns should be reported to your property owner or manager.
  - Keep an eye on your property and report any signs of erosion to your property provider or manager.
  - Development, Building & Safety Division at (805) 568-3558 can be reached for concerns about cliff erosion that may threaten the stability of a building in your area.
