Weather:

Stay away from downed power lines, and do not attempt to remove any downed trees or branches. If you see any fallen power lines, please call 911.

Do not swim in the ocean for three days following rain because of potential for some flooding and cliff erosion in areas near campus and in Isla Vista. Certain areas west of Goleta and east of Santa Barbara are at an increased potential for some flooding and cliff erosion in areas near campus and in Isla Vista. Concerns about cliff erosion that may threaten the stability of a building in the UCSB Area should be reported to your property owner or manager.

In the event of any displacement of residents due to storm events, the County has agreements in place with the Red Cross to open up shelters. To locate the closest shelter, please visit the Red Cross website or call 1-800-RED CROSS.
