February is For You!

Dear Students,

Welcome to UCSB! It’s February and you’re probably enjoying the milder temperatures than we’re experiencing in California. I hope you’re looking forward to all the fun things happening around campus.

March is Fast Approaching!

March is only a short month away! It’s a great time to think about what your goals are for the next four months. Are you thinking about a career fair or an internship? Maybe you want to sign up for more classes or consider a study abroad program. Whatever your goals are, make sure to put them into action.

March 21st is... The Future of Speech!

On March 21st, UCSB Hillel will be hosting a presentation on the future of speech. This is a great opportunity to learn more about this important topic and to engage with others who share your interests.
