February is for You!

Hello all!

In the event of any displacement of residents due to storm events, the County will open up shelter space within the County. In the event of any pet or animal displacement, the County has agreements in place with the Red Cross to open up shelter space. In the event of any displacement, the County will provide a list of local emergency management agencies. If you do not have a property provider or manager, you should report to the Development, Building & Safety Division at (805) 568-3558 to report any property damage. If you have any questions or comments, please do not hesitate to contact us at StudentLife@sa.ucsb.edu.

More Resources

You may also want to check out the National Weather Service website for up-to-date forecast information. CalTrans website at http://www.dot.ca.gov/ contains Urgent Storm and Safety Information. UCSB Alerts System is also available for you to monitor county preparedness and safety information.

More Information

By February 1st, you will have a chance to get your report in. If you do not get your report in before January 16th, they will receive their February allotment. More Information

To continue receiving our emails, add us to your address book.
