The Campus Rec Discretionary Fund provides funding for professional development, student staff...

Consider giving back to Campus Recreation.

Campus Recreation.

Successful.

making our events memorable and

Campus Rec's sponsors play a great role in

Arizona, there is a community that they can come back to here at Campus Rec.

they helped to create. I want Alumni to see that even after they leave the University of

Campus Rec has been a place that has kept me healthy and helped me grow in my time

place that benefits their physical and mental health as well as a place that helps them

The part of this project that I enjoyed most was reading the quotes from patrons about

pictures of our Humans of the Rec. The last aspect of this project was posting our

different people about their thoughts on how the Rec has impacted their lives. I also

inside and outside of Campus Recreation. This gave me the ability to reach out to

Recreation. A major part of Campus Recreation is the community it fosters. I think it is

What did you enjoy most about your project?

What is the purpose of your project?

What are your favorite things to do at Campus Rec?
