Consider giving back to Campus Recreation

for their continued support of UA

This quarter's Sponsor Spotlight is on

Campus Rec's sponsors play a great role in

Sponsor Spotlight

Arizona, there is a community that they can come back to here at Campus Rec.

they helped to create. I want Alumni to see that even after they leave the University of

here at the University of Arizona.

Campus Rec has been a place that has kept me healthy and helped me grow in my time

achieve their goals. Many of these messages resonated with me because I too feel like

place that benefits their physical and mental health as well as a place that helps them

The part of this project that I enjoyed most was reading the quotes from patrons about

What did you enjoy most about your project?

created two different boards. One was an impact board that I posted inside of Campus

inside and outside of Campus Recreation. This gave me the ability to reach out to

What were your methods/activities to achieve your goals?

Recreation. A major part of Campus Recreation is the community it fosters. I think it is

important that students work in Campus Recreation.

Like I noted earlier, the positions that you have in Campus Recreation may not be what

If you could give any advice for our current students, what would it be?

customer service, explaining policies, working as a team are all such valuable skills. The

For me, working at the Rec Center helped me form my career. I know a lot of students

who convinced me to start working at the Rec Center. She was a facility Supervisor and

though I was in graduate school we had a lot in common. My friend Chandelle is the one

I loved all the lifeguards I worked with and still have a number that I stay in touch with -

position at UC Berkeley. I had hoped to then continue working on my masters in Art

the Program Assistant for Aquatics - a graduate position that was created for me in the

start working at the Rec Center until the summer of 1998.

I graduated undergrad in 1996, and then I began graduate school in Fall 1997 - I did not

successes with you.

If you could give any advice for our current students, what would it be?
