This quarter's Sponsor Spotlight is on the Federal Credit Union. The part of this project that I enjoyed most was reading the quotes from patrons about how the Rec has impacted them. Many of them talked about how the Rec has been a big part of their lives. I also created two different boards. One was an impact board that I posted inside of Campus Rec for students to interact with on their own and the other was a board of Polaroid pictures of our Humans of the Rec. The last aspect of this project was posting our photos on social media. I also made sure to request permission before using anyone's photo.

If you could give any advice for our current students, what would it be?

What were the positions you worked while at Campus Rec?
