Dear [Name],

I wanted to reach out to you as part of the Campus Rec Alumnae & Alumnae Advisory Board to discuss some opportunities to support the Campus Recreation Program. As you know, Campus Recreation provides a wide range of services and programs to students, alumni, and the community, including sports, recreation, fitness, and wellness activities. The program is thriving and is experiencing continued growth and success.

I am reaching out to see if you are interested in supporting the Campus Rec Discretionary Fund, which provides funding for professional development, scholarships, and end-of-semester celebrations. The Campus Rec Discretionary Fund is an opportunity to give back to Campus Recreation and support the program's efforts to continue to grow and provide meaningful experiences for students and alumni.

Please consider giving back to Campus Recreation. Your support is vital to ensuring the continued success of the program. The part of this project that I enjoyed most was reading the quotes from patrons about how the Rec has impacted them. Many of them talked about how the Rec has been a consistent presence in their lives and how it has helped them to achieve their goals. This is something that I am deeply passionate about and I know it resonates with many of our alumni.

I would be happy to discuss any questions you may have about the Campus Rec Discretionary Fund or any other ways you can support Campus Recreation. If you are interested in supporting the program, please reach out to me or the Campus Rec Alumnae & Alumnae Advisory Board.

Sincerely,
[Your Name]
