PRINCIPAL'S UPDATE

Normal. This is the elusive state we have been chasing for some time now. Unfortunately for far too long things have been abnormal. For the students, families, and staff of EVHS we have been seeking ways to create a sense of normalcy. What that has meant is that we have had to specifically focus on going back to some basics in an effort to renorm our system. This semester you can expect to see our focus to remain on what we can normalize for in person learning for students. All of this is with the knowledge that we will continue to be challenged in our efforts to perform the most basic and normative tasks.

Principal Greg Doan

Who knew that being normal would be the most difficult, exciting, tantalizing outcome we could seek in education.

WHEN: Wednesday, March 2nd, 2022 @ 6:00pm

WHERE: Eagle Valley High School

Come and learn more about how Eagle Valley High School (EVHS) is the embodiment of our mission and vision statement to "EXPECT MORE".

With a current enrollment of more than 1000 students, EVHS is large enough to offer academic rigor through college-level classes and athletic prowess through sports and activities that a larger high school offers, yet small enough to maintain a personal experience for each and every one of our students.

In order to help make the transition easier for both you and your student, we would like to welcome you to the EVHS 8th Grade Showcase with presentations by administrators, counselors, teachers, and students at 6:00 pm on Wednesday, March 2nd..

We will share some ideas about how to help your student be successful in high school, philosophies of EVHS, extra-curricular options, how to earn credits toward graduation, policies and procedures at the high school, tour the school, and answer any questions you may have. Please join us in the auditorium at EVHS to begin the transition into high school.

Our goal is to provide individual attention to each family, so please feel free to contact the EVHS Counseling Office to schedule an appointment for a private tour and to receive more information on our academics, athletics and activities.
