THE FOLLOW UP

We are still on cloud 9 thinking about the many incredible moments from camp. Each year we leave so encouraged that our campers head home with important lessons and friendships that will last a lifetime.

Since a sense of community is such an important theme at camp, in hopes of keeping our campers connected upon leaving camp, we are starting a Camp Reunion in coordination with our Unite Walk! **The Unite Walk is one of the those defining moments each year where we come together as one bleeding disorders community to celebrate, honor and give hope to everyone impacted by bleeding disorders.**

We want to hear your feedback so we can keep improving our logistics and content. Please fill this quick survey and let us know your thoughts (your answers will be anonymous).
