News from the Fence

The CMU Portugal Program hosted its annual Board of Directors Meeting in Lisbon, sponsored by the Fundação para a Ciência e a Tecnologia (FCT) under our partnership with CMU and the Ministério da Ciência, Tecnologia e Ensino Superior. The meeting was attended by CMU officials, including Faculty, staff, and members of the Lisbon community. The Board of Directors heard presentations from visiting researchers and interacted with students, faculty, and staff to foster collaboration. The Board of Directors also discussed future plans for the CMU Portugal Program.

The Board of Directors (BoD) Meeting was held in Lisbon on September 20th. The BoD is part of CMU and the Lisbon community. The meeting was attended by CMU officials, including Faculty, staff, and members of the Lisbon community. The Board of Directors heard presentations from visiting researchers and interacted with students, faculty, and staff to foster collaboration. The Board of Directors also discussed future plans for the CMU Portugal Program.

Students, Staff, and Researchers also participated in the meeting, contributing to the development of science or scientific culture. The students shared their research and development projects with the Board of Directors, and the researchers presented their work to the students and faculty. The Board of Directors discussed the future plans of the CMU Portugal Program with the students and researchers.
