Greetings World Citizen Friends!

This greeting must start by *thanking you* for the
generous donations you are making to World Citizen.
Every donation presents another opportunity to

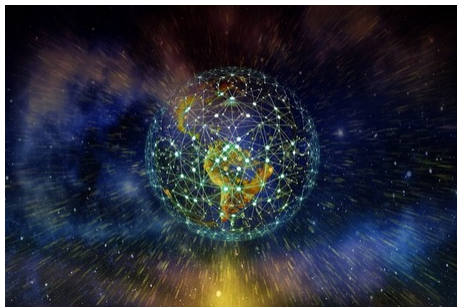

spread the message of peace. Your donations make it possible to offer more webinars and make improvements to our website to stay current in the world of technology. Your assistance is helping us organize lessons and ideas for you to use within your family, at work, or in places of learning. All of this will be offered virtually at your fingertips keeping it safe for you. We are so close to meeting our \$10,000 match. I am very hopeful that with your help we will get there before 2021!

We couldn't do this without you!

Our first webinar was held on December 7th. It was a successful and interesting presentation of **Seeking Peace Within Yourself and Others** by Christie Bemis, a psychotherapist with 20 years experience. It will soon be available on our website, <http://www.peacesites.org>. We will inform you when it is posted for viewing. We hope to have more webinars for you in 2021 relating to the other Peace Actions. Some of the priorities for topics are: anti-racism, diversity, and kindness.

Updates have been made to our website especially on the [Peace Site page](#). Visit our website for ideas to engage in living the [World Citizen Five Peace Actions](#). If you are interested in [becoming a Peace Site](#), there are ideas listed for this process as well. Join us as a [Peace Site](#) or [Peace Ambassador](#). Join our World Citizen team today! As we have said before, we can never have too many people working for Peace! Wishing you all happiness and good health in 2021!

Peace will prevail,

Kathy Millington, Executive Director
