**HONEY W. NASHAMAN CENTER FOR CIVIC ENGAGEMENT AND PUBLIC SERVICE**

"If you have come here to help me, you are wasting your time. But if you have come to help others, then let us work together." —Martin Luther King Jr.

Hello friends!

While things may look and feel different, and we may be geographically removed from one another, please know that we here in the Nashman Center — and our friends and colleagues throughout GW -- are here to continue to make this a community of mutual support and caring.

While we continue to monitor social media to help track how many good deeds are happening for 9/11 Day, we are also looking for acts of kindness and public service that are meaningful to you and your organization.

Here are some opportunities to apply for 9/11 Day at Home this year, and others that are happening in other parts of the world.
