OCTOBER
2023

My Dearest Traveler,

Last night, at the witching hour, as I stalked the dark and windy trails around my haunted vacation lair, I caught sight of the full moon illuminating the forest with its unearthly glow. But hark! A hoot! A howl! It was my friend, the Wolf Man, gearing up for some spine-tingling adventures. He knows I'm always up for a wild ride, so he invited me along. I thought my new bat-shaped helmet really set off my cape when we rode down to terrorize the village and stop by a brewery so I could quench my immortal thirst with a brisk IPA.

It is my very favorite time of year in Transylvania County, where all of us ghouls, goblins, and creepy crawlies can treat ourselves to a nice hike, a fun event, and maybe, just maybe, a little candy. There are so many spooktacular thrills afoot, you're almost certain to bump into me somewhere in the shadows. Perhaps I can lure you in for a drink . . . something seasonal . . . maybe with pumpkin spice?

Until then, I remain eternally yours,

Count Adventurist
