Recipe for the Wind & Oar Root Beer Float

There are many ways to make a root beer float and you'll see a few of those ways in our Root Beer Float-tilla video (one of them has us thinking we need a to go out and buy a kitchen torch). But here's a classic recipe to get you started.

Wind & Oar Root Beer Float

For each float you will need:

Tall glass
2 scoops vanilla ice cream
4 ounces root beer
Whipped cream
Sprinkles
Cherry

Place 2 scoops of ice cream in each glass. Slowly pour root beer over ice cream, just covering. Put large dollop of whipped cream on top. Sprinkle with sprinkles and top with a cherry.

Voila!
Enjoy your float.
