Make Plans to Attend the VIRTUAL Fall Science Update

The GVSU Regional Math and Science Center invites you to the 35th annual Fall Science Update! Kindergarten through college educators are invited to VIRTUALLY attend November 10, 11, and 12.

This year's theme is Distance Teaching in a Time of Crisis and will focus on how teaching science has changed in the time of the COVID-19 pandemic. There is no charge to register this year.

If you have a topic or expertise to offer, please join us in presenting at this year's conference by submitting your application.
